

Bubble Mailers

- Lined with 3/16" high slip bubble for easy product insertion and removal
- Each bag has 1/2" fins on 3 sides to absorb shock and help protect contents
- Available in white or kraft, heat seal or self seal, and full cases or 25-pack quantities

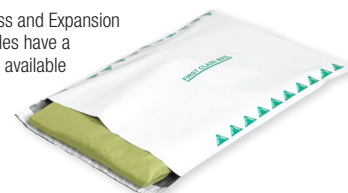

Padded Mailers

- Fiber padding expands as package is handled, absorbing shock and protecting contents from damage
- Puncture and moisture resistant
- Available in white or kraft, open ended or self seal, and full cases or 25-pack quantities

Poly Mailers

- Mailers feature a self-seal closure and are moisture, puncture and tear resistant
- White outer surface and silver lining provide excellent opacity
- Plain, First Class and Expansion Poly Mailer styles have a variety of sizes available

Flat Mailers

- Resists bending or crushing – perfect for shipping and storing photos, documents, artwork and reports
- Two closure types: economical tab lock and convenient peel-and-seal
- Available in a variety of sizes and thicknesses

Tyvek® Envelopes

- The ultimate in tear, puncture and moisture protection
- Constructed from heavy-duty olefin and features a self-seal closure
- Available in Plain, Expandable, First Class, Air Mail and Tamper Evident styles

Nylon Reinforced Mailers

- Heavy-duty, nylon reinforced mailers resist tearing during shipment
- Lightweight material saves on shipping costs
- A variety of sizes are available in plain, self-seal and gusseted style mailers

Jiffy Rigi Bag® Mailers

- Kraft, laminated fireboard construction prevents the movement of contents and resists bending, folding and creasing
- Mailer features a high strength, cohesive, self-seal flap that only sticks to itself

Ship-Lite® Envelopes

- Manufactured from white paper reinforced with mesh screen poly fibers
- Features a self-seal closure

Bubble Lined Poly Mailers

- Polyolefin exterior with 3/16" bubble cushioning inside protects products
- Mailers are moisture, tear and tamper resistant
- Feature a convenient, peel-and-seal closure
- Available in case quantities or in 25-packs

Glamour Mailers

- Protect your shipment while grabbing customer's attention with these colorful bubble mailers
- Lightweight and moisture resistant mailers feature a peel-and-seal adhesive closure
- The shiny metallic exterior is available in 5 different sizes and 6 bright colors

Utility Flat Mailers

- Environmentally-friendly mailers made from 100% recycled paperboard and are 100% recyclable
- Features convenient, pressure sensitive closure and tear strip opening
- Kraft mailers are top loading and white mailers are side loading

Cool Shield Mailers

- An economical choice for shipping perishable or temperature sensitive items
- Bubble lining protects contents from damage while outer thermal material helps maintain a desired temperature
- Lightweight, puncture resistant and water-repellent mailers feature a peel-and-seal strip for easy closure
